RFTW Mission Statement:

To promote healing among all veterans and their families and friends;

to call for an accounting of all Prisoners of War and those Missing in Action (POW/MIA);

to honor the memory of those Killed in Action (KIA) from ALL wars; and to support our military personnel all over the world.

RFTW Philosophy:

We strive to maintain a family atmosphere which is supportive and allows all participants to reflect and heal on their journey to the Vietnam Veterans Memorial in Washington, D.C. in the hope that they can return home to a new beginning.

RFTW Goals:

1. To guide the participants across America.
2. To educate future generations as to the importance of accountability in wartime actions emphasizing that no one should be left behind.
